HOW DID YOU HEAR ABOUT THE WELLNESS CENTER? _____

Thank you for your interest in volunteering with the Love Grows Here Wellness Center at First Lutheran Church. Your commitment to partnering with us is an invaluable part of our mission and vision of the Wellness Center. It is a place where all are welcome and we ask that you come as you are. We hope that those who participate feel a sense of welcome where they can rest and play, socialize and meet new people, serve, cook, and provide a welcoming environment.

There are many wonderful ways to get involved in volunteering for the Love Grows Here Wellness Center. As a volunteer we ask that you participate by doing the following:

1. Come as you are and partake in a meal (Week 1)
2. Take a tour and speak with a Wellness Center Representative. Learn more about the mission and vision of the Wellness Center and tell us how you'd like to participate. (Week 2)
3. Come get trained in and started! (Week 3)

Call ahead if you can't be here for your shift by contacting
